

## Directions - UvA

### DS02 – morning lecture hall (B)

In order to find the lecture hall please come to the Nieuwe Achtergracht 129, indicated by a “b” on the map. Enter via the green door of the Spinoza Centre and go left into the corridor. You will find the lecture room on the left.

### DB302 – practical room (A)

The practical will be held at the computer rooms on Weesperplein 4 (Diamantbeurs). Use the elevators to get to the third floor, from there the practical room is easy to find.

## Directions: AMC/HvA

### L0-223/211/227 (Meibergdreef 9) (Green)

Enter the AMC through the main entrance. Go straight and cross the little square with the bookshop. Walk straight until you can't get any further (you will see the medical library), turn right. On your left hand side you will first see an entrance to L0-227 and a little further an entrance to the other classrooms.

### HvA c2.42 (tafelbergweg 51) - Red

From the Holendrecht station go in the direction of the AMC but turn immediately left. Follow the cycling lane for a while until you see a bridge crossing the water. Cross the bridge and turn left. Walk straight until you see the HvA building. The classroom is on the second floor, make sure you go to the C wing of the building.
